Founded:	[Pending]
Stage:	Series A momentum - $50M target at $80M pre-money, actively raising.
Products:	DFARS-compliant and Berry-Amendment fastener systems. MIL-SPEC-referenced lots, CAGE-coded shipments, certified to MIL-S-1222H thread-fit tolerances.
Certifications:	Berry Amendment | DFARS specialty metals (252.225) | MIL-SPEC family (MIL-S-1222H, MIL-B-6812, MIL-DTL-1222) | ISO 9001:2015 / AS9100D-aligned quality system.

Brand Assets

Logo usage, color tokens, and typography.

Logo usage:	Maintain clear-space equal to one letter "R" on every side. Do not skew, recolor, or place the mark on imagery that reduces contrast below 4.5:1. Provide both light-background and dark-background variants for tinted backdrops. To obtain the logo asset, contact the press inbox.
Color - Primary:	#a0541a
Color - Ink:	#1a1410
Color - Paper:	#fafaf8
Color - Muted:	#6b5b50
Typography:	Display and body set to "Inter" (--font-display and --font-body in the brand tokens). Press assets ship without web-font embedding; licensed fonts must be embedded in print layouts.
